

Lab Listings® Fall 2021
Animation Art Auction

WEB REGISTRATION AND ADVANCE BID FORM

REGISTRATION

In order to bid in the Lab Listings Animation Auction on October 25 and 26,
this form must be filled out in full and submitted via mail, fax, or in person prior to bidding.

Name: _____

Address: _____

City: _____ State: _____ Zip: _____ Country: _____

Phone: Day (_____) _____ Eve (_____) _____

Cell: (_____) _____ Email: _____

This information is required for registration

Credit Card # _____ Exp. Date _____

Street number _____ and zip _____ to which card is billed. Security Code on card: _____

By signing below I acknowledge that I have read and agree to the Rules and Condition of Sale set forth in the catalog and in the catalog posted at the S/R WebCenter® for this auction and will be responsible for the full purchase price for each lot for which my bids are successful (full purchase price to include the amount of the final bids, buyer's premium, plus shipping and sales tax, if applicable). I warrant that I am eighteen years of age or older.

I understand that remittance for all lots for which my bids are successful is payable within ten (10) working days from the date of invoice rendered by S/R Laboratories following the sale, as specified in the Rules and Conditions of Sale. If my payment has not been received by S/R within fifteen (15) working days of the date of invoice I authorize S/R Laboratories to charge the full amount of the invoice to my credit card on file or to the credit card account above, in accordance with the Rules and Condition of Sale.

S/R Laboratories reserves the right to refuse participation in Lab Listings to anyone, for any reason, at our sole discretion.

Signature: _____ **Date:** _____

ADVANCE MAIL AND FAX BIDS

Advance bids must be submitted using the form on the reverse of this sheet or the form posted at the S/R WebCenter® and received by S/R no later than 5:00 p.m. Friday, Oct. 22, 2021. Bids of like amount will be decided in favor of earliest date of receipt. Those submitting advance bids may telephone to increase their bids on the days of the sale. Advance bidding is presented as a convenience to accommodate bidders. S/R Laboratories is not responsible for damaged or skewed fax imaging or the late arrival of or failure to execute advance bids. We suggest receipt of advance bids be confirmed by phone.

By signing below I authorize S/R Laboratories to execute my bids listed on the Advance Bid Order form. I understand that if I have specified my bids as Top Bids S/R will execute them up to and including the amount specified, but not beyond the amount necessary to secure the item. I understand that S/R will hold my bids in confidence. I will be responsible for the full purchase price of each lot for which my bids are successful according to the Rules and Conditions of Sale set forth in the Lab Listings catalog.

Opening bids must be at least two thirds of the low estimate shown in the catalog
